**Eight Associates is looking for a Senior Ecologist to join our award winning team.**

Eight Associates has a unique opportunity for a Senior Ecologist to lead the future of our ecology service. You will have the freedom to implement your ideas and flexibility and support to make the role your own whilst being part of our multi-disciplinary team.

**A bit about Eight Associates:**

- Friendly, award-winning, passionate, energetic team
- Multi-disciplinary sustainability consultancy in the built environment
- Broad range of clients and many exciting new development projects
- Working towards a sustainable future

**A bit about the role:**

- Shape the future of the ecology service, undertaking all aspects of ecology consultancy
- Manage a portfolio of projects across a range of developments
- Pragmatic approach to habitat and protected species surveys, and a mature technical report writer

**What we're looking for:**

- A minimum of **5 years** ecological consultancy experience
- Full Membership of the Chartered Institute of Ecology and Environmental Management
- Hold at least 3 protected species licences
- Thorough understanding of UK and EU legislation, planning policy and best practice
- Experience designing and carrying out habitat surveys and protected species surveys in a range of sectors and locations
- Experience managing junior team members
- Experience writing EPS mitigation licences and acting as a Named Ecologist
- Understanding and application of Biodiversity Net Gain and BREEAM 2014 and 2018 ecology reports
- Excellent organisation and project management skills, including financial aspects such as writing fee proposals and tender bids
- Able to provide the best possible advice for clients, with an innovative, solutions driven approach
- Able to build networks, relationships with clients and design teams and present information to groups of professionals

Eight Associates has a unique team ethos and we offer a generous benefits package, including a birthday day off in addition to the annual leave allowance, free gym membership, a dedicated training budget, regular performance reviews and a profit share bonus scheme.

If you are an experienced Senior Ecologist with the drive and ambition to use your expertise and networking skills to grow an ecology service and would like to know more about joining our team, please get in touch.
